Solo

Life&Mobility
INSPIRED BY LIFE

The Rolls Royce of the mobility scooter world

Solo

Our most powerful mobility scooter with the best suspension

Have you heard of the Solo? A top quality, highly comfortable mobility scooter, completely tailored to your requirements. You have the option to set the patented INDEGO suspension system to active, comfortable or extra suspension. As a result, this mobility scooter is especially suitable for travelling long distances and for people with painful conditions such as muscular disorders, backaches or rheumatism. Take it for a test drive and see for yourself!
